

Sept. 20

Call to order 10:05

Introductions

Approval of minutes

Tammy Rosner System updates Office as advocates, data collection, structure and support for individual institutions, administer program and consortia study abroad programs.

- x Columbus State AASCU Excellence and innovation award for IE “Your developing Global Citizens– engagement, inclusion and international opportunity.
- x Please communicate honors and great things to Tammy so she can promote at system level
- x Priorities:

- o USG Goes Global start summer 2019, full 2020
- o International activities data snapshot in April
- o Promotion and tenure– continuing to work on standards and recommendations
- o Curriculum mapping– continuing project – momentum approach at system level
- o International partnerships initiative– moving online to better access people who are not attending SCIE
- o International Virtual Exchange opportunities (will have attribute for the courses using this mechanism)
- o Website updates – review new tabs on Internationalization and for SIO
- o Letters went to campuses to confirm official SCIE reps
- o EduRoam: All 26 institutions will have this, means that any student or employee will have access to internet at any other campus that also subscribes to EduRoam and will use campus login to access.
 - f In legal now, USO goes first for testing, full implementation by Summer 2020
- o USO has membership to Diversity Abroad Network
 - f Working with diversity abroad and offices for diversity to create initiatives to diversity student population abroad
- o Int'l Ed Grants started March 2018 \$2000 grants to build capacity in EA, and three were awarded.
 - f UWG– provided passports to AAMI students funded 11 passports (8 in one program to Brazil) and brought African American males abroad up by double
 - f UGA– inaugural embedded programs to offset student costs for 12 students to study Social Work in Granada over spring break and plans to expand in the future (business program taught important lessons)
