

USG Mandatory Student Health Insurance Categories Guidelines – 2021 - 2022

The following students are required to have student health insurance that meets the minimum standards set by the University System of Georgia. Students in these categories who are not covered by a policy held by a parent, spouse, employer or if the policy does not meet the minimum standards, will be charged for a USG Student Health Insurance Plan (SHIP) policy.

All USG Institutions

- The following students are required to enroll in the USG SHIP unless they are approved for a waiver based on USG Waiver Requirements:
 - o All graduate students receiving a Full Tuition Waiver as part of their graduate assistantship award.
 - o All undergraduate and graduate international students holding F or J status enrolled for an entire semester.
 - o All undergraduate and graduate students enrolled in programs that require proof of health insurance.
 - o All graduate students receiving fellowships that fully fund their tuition.
